

Gift To Your Alma Mater

अन्नदानं महद्दानं विद्यादानं ततः परम् ।
अन्नेन क्षणिका तृप्तिः यावज्जीवं तु विद्यया ॥

The giving of food (अन्नदानं) is a great type of charity (महद्दानं). But the giving of knowledge (विद्यादानं) is even greater than that (ततः परम्).

The satisfaction (तृप्तिः) obtained from food (अन्नेन) is only momentary (क्षणिका), while that gained from knowledge (विद्यया) lasts lifelong (यावज्जीवं).

Have you felt we could do something for our school, college, for the dedicated efforts of innumerable teachers who gave us knowledge, helped shape our careers? Most of us have noticed the important role our PUC / +2 / Intermediate colleges play in defining our professional education path and career streams. Do you want to help them to help improve the learning opportunities for their students? Do you want to help govt colleges where typically poor students study? Or, help some poor students regularly? Think of the satisfaction of doing something for your institution, and the society at large, in your town.

eTestZone.com [brings you the opportunity to help an educational institution dear to you](#). If you are an individual, or a group, or an NGO, or a corporate organization with CSR funds please get in touch with us. Lot of colleges in small towns are looking for help to improve computing facilities, educational softwares, online library access.

The "Help Your Alma Mater" program is open to the following locations, and science stream in institutions. For other locations, you can write to us at support@etestzone.com / s.gururaj@bytologic.in. We will keep updating the list of locations, as we expand our network.

- On eTestZone.com we shall maintain record of all such gifts, with donor photographs, their alma mater details. If you want to gift poor students in other institutions, you can also do that, by supporting our initiatives, by buying some donor licenses for them. Thus the meritorious students from every strata of society get an opportunity to compete on equal footing. For the donors who come together to gift, this scheme does not cost a lot, while what you give stays with your school as an asset. Later, you (and your school friends) have the option of making small incremental contributions annually (to cover maintenance, internet costs, extra eTestZone licenses, etc).

eTestZone welcomes you in this noble #EkCupMission to help grow the network of teachers, and empower meritorious students of India. We request you to share this document with your friends on social media to help them help their alma mater.
